

ESTUARY HUNTER STEALTH 33

A super stable fishing kayak featuring comfortable adjustable seating (forwards/backwards, folding rear), built-in rod holders (2), storage hatches including removable rear waterproof storage pod, water-proof battery box (convertible to 15L live bait/keeper tank), LED navigation, anchor/night & interior lights, large Flexi-Rail with Multi-Plate system for mounting fish finder/rod holders/action camera. Options: pivoting rod holders, electric motor bracket/rocket launcher combo, Xstream Chill Bag, Xstream Dry Bag, Xstream Under-seat Caddy (c/w 2 x waterproof tackle boxes, split ring pliers & gripper), Xstream Small Side Caddy Set (c/w one waterproof tackle box, split ring pliers and gripper) and folding 316 stainless steel Grab Rail, Deluxe Scupper trolley/EasiLoader, range of paddles and Live Bait Tank Pump Kit.

PedalProp II pedal drive system powers the kayak easily under any conditions, both forwards and backwards simply by changing pedal direction. Responsive fold-away alloy rudder, anchor pulley system to both sides of the kayak, secure paddle keeper system and much more. *Truly a fishing weapon!*
